A message from the Mayor of the Village of East Syracuse Robert T. Tackman

Summer is finally here, this was a long and cold winter season. Now that the nice weather is here is it time for us to enjoy it. Our Parks Department has done another incredible job at providing many great events and programs for this summer. Please take some time and review this packet to see everything we have. Don't forget to check out our website at www.villageofeastsyracuse.com as we will be adding more!

This past fall and spring we have been busy working on the park to get it ready. Please come on down and check out our new pavilion, resurfaced basketball and tennis courts and see our baseball fields that have been upgraded to allow softball games as well. We are very excited to start construction on a brand-new park we will be adding on N. Center St. later this summer/fall as well.

I look forward to seeing everyone out and around the Village this season!

-Mayor Robert T. Tackman
